

CUSTOM CANDLES INFORMATION

SIMPLE LIFE CANDLES

WE DON'T JUST CREATE CANDLES,
WE CREATE TOXIC-FREE SANCTUARIES.

ABOUT OUR CANDLES

- Our candles are hand-poured.
- We use 100% natural soy grown in the United States.
- Our muslin bags are reusable and sustainable.
- Our labels are made from recycled materials that quickly biodegrade.
- Our candles are toxin-free and do not contain lead, parabens, phthalates, animal derivatives, antimicrobials, or synthetic dyes.
- Our candles' burn time ranges from 15 to 50 hours, depending on the jar size.

Our fragrances exclude cancer-causing components that require a proposition 65 warning in California. These components include carcinogens, mutagens, organic toxins, reproductive toxins, and acute toxins.

How does it work?

01

Please send an email to karen@simplelifecandles.com to request an estimate.

Please provide the following info. Type of event, the event date, the candle size(s) you would like, and the number of candles needed.

02

We will email you an estimate within three business days. We require a 50% deposit to start production.

We are open to custom payment options 😊
Please don't hesitate to ask!

03

After production has started, we will begin to design your custom label and choose fragrances.

Please notify us at least two months before the event. If the event falls within two months of contacting us, a rush fee may be applied.
